Folks, The HQ Environmental Unit (EU) has completed their independent review of the data packages for the week 2 sampling.

Ex. 5 - Deliberative

Ex. 5 - Deliberative Janine Dinan will be calling Dawn to talk thru the HQ findings and the

thinking is that there should also be somebody from the site on the line most familiar with the actual sampling and data packages, etc. I suggested Kelley.

Dawn, when Janine calls can you try and tie Kelley in for the discussion. They will be trying to do this today.

Thanks, den.
